

## Benefits

You have your own credit controller with a flexible approach at a fraction of the cost of a full time person. Notes are kept on all conversations and Client's can have access to these at anytime.

You can detach yourself from a difficult situation and allow the credit controller to deal with the problem, they are trained to handle this.

Problems with disputed invoices found at an early stage

No hidden costs, the hourly or monthly fee includes all telephone costs, faxes, letters & emails

Improved cashflow leaving you the freedom to carry on with your main business

Do you have to pay bank charges for an overdraft as cash flow is a bit tight, collecting your money on time can reduce these charges by a huge amount and the credit controllers cost can be far less than the bank charges.

Reduced bad debt.
